GROOTFONTEIN SHOW SOCIETY'S SCHOOL ART COMPETITION 2026

Dear Principal/Art Teachers

This year's theme for the Grootfontein Show is "Pirate's" and we are expanding our School Art Competition. From this year we are including our local secondary schools. Grade 8 to AS-Level will participate in one category, there are no separate categories for each grade.

Each participating school must have a teacher representative. This is to ensure successful communication between schools and the organizer, ms Bianca Coetzee. **The chosen teacher must please contact ms Coetzee 0812735294, so that they can be added to the art WhatsApp group for this year's show.**

The secondary school's topic:

Design your own pirate's tattoo.

The tattoo can be of anything that is related to pirates. It can be a pirate, pirate ship, pirate flag, pirate's name, treasure, etc.

- Designs have to be done on either A5 or A4 paper/carton.
- Designs can **only** be done in pencil or color pencils.
- Maximum of 20 entries per school are allowed.
- *The learner's name, surname, Grade and school must be written in pen (NO KHOKI PEN) on the back of the design.*

Judging:

A first, second and third place will be chosen.

Entries will be judged by a tattoo artist based on the following criteria:

- Visual impact
- Design concept
- Creativity
- Theme based

Designs will be collected from the schools by a Grootfontein Show Committee member. Each school has a date for collection and we ask that schools adhere to these given dates.

Monday, 14th of September: Karstveld Academy

Tuesday, 15th of September: Grootfontein Secondary School

Wednesday, 16th of September: Otjiwanda Secondary School

Thursday, 17th of September: Frederik Awaseb Secondary School

NO DATE EXTENTIONS WILL BE GIVEN!!!

Participants are not allowed to take their designs from the show hall.

There will be security and/or committee member at all times present.

The week of 28 September – 2 October all designs work will be taken back to participating schools to be handed out to the participating learners.

We are looking forward to some excellent designs from our learner's.

Thank you

Ms. Bianca Coetzee
